

District 6 Fact Sheet

Serving Fresno, Kern, Kings, Madera and Tulare Counties

State Route 99 White Lane Soundwall

Kern County

Project Purpose:

This project will construct a 4.3 meter high sound wall along the northbound off-ramp from State Route 99, adjacent to the White Lane interchange in Kern County and the City of Bakersfield. The sound wall is an adequate mitigation measure for the noise levels at the site.

Description:

The sound wall will be constructed along the exit ramp edge of shoulder, on a concrete barrier. The specific realignment geometry of the ramp may require that the sound wall be built on a barrier combined with a retaining wall at the new edge of shoulder or shifted to the right of way line along the Smoke Tree Mobil Home Park.

Construction Cost: \$500,000

Schedule: Construction schedules are dependant on the weather and are subject to change.

Construction Begin: Winter 2003

Construction Begin: Summer 2004

Funding Sources:

This project is locally funded by The City of Bakersfield.

Agency Responsibilities:

Department of Transportation (Caltrans)

City of Bakerfield
